

# ICETIT-2019 Special Session Guidelines

---

Considering your academic scholarship, research accomplishments and organizational competencies, we invite you to become a convener of ICETIT-2019 by organizing and conducting a Special Session on your chosen area of expertise, in any one of the tracks related to themes in ICETIT-2019.

As the Convener of a Special Session, you will primarily be responsible for promoting your session, releasing Call for Papers (CFP), inviting papers, getting them submitted and helping us in reviewing those papers. However, our Conference Secretariat will be pleased to extend you the basic administrative support.

Paper submission link is: <https://easychair.org/conferences/?conf=icetit2019>

It will be impossible to compensate your academic efforts and intellectual contributions for running this Special Session successfully. However, to acknowledge your invaluable efforts, we offer you the following benefits:

- As Convener of Special Session, you will be made Session Chair of your proposed session.
- You are invited to attend the two day conference without any registration fee.
- For registration of 10 or more papers, a remuneration of Rs. 5000/- plus TA will be provided.
- For registration of 6-9 papers, a remuneration of Rs. 3000/- plus TA will be provided.

For any further assistance, you can contact us via details below:
